A PRACTICAL PLAYBOOK

Enterprise work. With oversight.

Meet Tenured. Explore a scoped pilot with Ignite9.

A PRACTICAL PLAYBOOK

Start with one workflow

Agree on a focused use case, accountable owners and success criteria before the pilot.

A PRACTICAL PLAYBOOK

Define the boundaries

Set the scope, access and human review points for your selected workflow.

A PRACTICAL PLAYBOOK

Review before expanding

Assess the pilot against the agreed success criteria before deciding what comes next.

THE NEXT STEP

Explore a Tenured pilot

Selected US organizations can discuss a free, scoped pilot with Ignite9. Visit ignite9.io.
